

AlumaSet[®]

FX

AlumaSet[®] FX is part of Corpus Christi Stamp Works Inc. aluminum extrusion series. This sign system has a fixed heading and is crafted using a one piece extruded frame. This system is ADA compliant and ideally suited for corporate environments as well as federal institutions, healthcare and educational facilities.

The message design is easy to customize and update. Lenses have mechanical set screws to help prevent theft and vandalism.

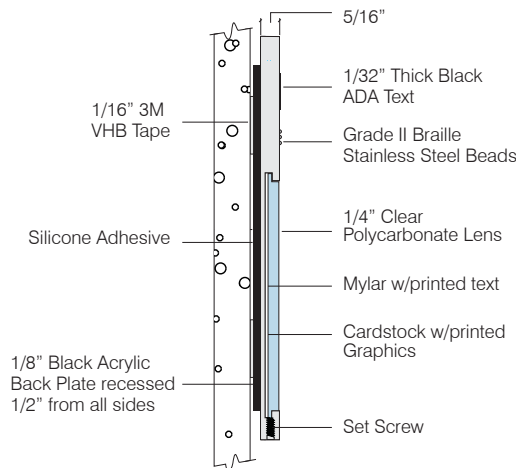

This sign system will provide a sleek and contemporary look for your project.
